

Homeschool Herald

The Newsletter Created By and For Homeschoolers

100% of the income generated through advertising in the Homeschool Herald is applied directly to activities offered by Homeschool Excursions, a 501(c)(3) non-profit organization. It is our mission to provide exciting educational opportunities to homeschooled students at an affordable rate. Please help support our efforts.

All advertisements are the same size and will be located on the final pages of the Herald. This is a newsletter for the homeschoolers, so advertisements will not be mixed with their creative creations. Each ad is 3.25" x 3.00" and costs \$15.00 per month to be included in both the print and online versions. The Homeschool Herald is usually a monthly publication with multi-month issues in the Summer and during the Winter holiday season.
