

# Homeschool Excursions Summer Reading Adventure!

Thank you for participating in our reading program!

Please fill out the form below and mail it or e-mail it to Homeschool Excursions. We want to offer prizes for every participant, as well as for the top readers and fundraisers, so please be sure to register.

I tried to make this an interactive PDF file so you can fill in the blanks online and e-mail it, but my Acrobat software doesn't seem to have that capability. Feel free to just e-mail the information in the same format that's presented here.
